“ Dear Carole, Linda, Danny and Michael,

My heart is filled with sadness at your loss of Tony. I can not imagine the pain you feel now but I wanted to let you know that our loving thoughts are with you. We can only say how much we will miss Tony as well. No words can express how much a part of your life Tony was, and will always be, we're sure, and be held in your hearts forever.

May it make your sorrow easier to bear, knowing there are others who understand and care through the pain and loss you feel. You can count on our support. We'll be with you, in spirit and in mind and heart and thought and though it will be difficult in the days ahead of you, try to face the future bravely as Tony would want you to!

Love,

Al and Mary Mayer and Family

“ Dear Linda and Family,

My Deepest sympathies for your families loss. I enjoyed my conversations with your dad and always walked away impressed with his vast knowledge that was delivered in a very down to earth fashion. I will always remember him as the rugged man charging up to me on one of your horses, having a short conversation and then charging off into the woods full bore like the cowboy he was. (And this was not to long ago!). He truly will be missed.

Sincerely, Don Thomas
