“ I would like to extend my sincerest condolences for the loss of Ben to his entire family and friends. I would also like to thank his daughter, Linda, for calling to tell me of his passing. Although I had been in touch with Ben recently and knew of his declining health, I was still shocked and saddened to hear of his passing. Ben and I worked together at UPS and knew him for nearly 40 years . He was a good man, co-worker and friend and he will not be forgotten. It is with great regret that I am not able to attend the services as I had wished to due to medical issues but please know that Ben and his family are in my thoughts and prayers.
