“ I work in the Ramsey tax office and I remember Mr. Gambino as one of the nicest residents I have had the pleasure of meeting. It always made my day when he came into the office, and I miss his beautiful flower boxes on Gertzen Plaza as well. My deepest sympathy to all of his family. He will be missed by many admiring friends.

“ I'm so sorry for your loss. My dad, Howard Bartholf, played ball with your dad in high school. I have a picture of their high school team if you would like a copy. My dad was the catcher.
Both of my parents remember your dad as a very nice man (boy!) and send their condolences to you.
