“ We knew Dennis for a few years and always remembered the fun we had bowling with him. We celebrated his wedding and met his family and friends. You are too young to be taken from this world.

“ I first met Dennis the day he started work in the electrical department at Sears in the Willowbrook Mall. Dennis was young, and still in High School at the time. But, instantly I knew Dennis was the real deal. He had a genuine quality about him and it was easy to see that he possessed an incredible work ethic. On certain Saturdays our schedules would match. I would pick him up on the CB radio as he drove down from Montville, (Dennis in his VW Rabbit, and me in my VW Rabbit), through Lincoln Park and we would chat all the way into work. I would torment Dennis constantly for liking Conway Twitty. Although our paths ended up taking different directions, and we ultimately lost touch over time, it's apparent that Dennis stayed true to his path, his family, and his work ethic. I am truly saddened by the passing of Dennis. May God bless you, protect you, and keep you in his arms forever Dennis.
