“ *To Monica and all the family....my sincere condolences. She was quite an amazing woman of all the stories I have heard. What a wonderful mother and grandmother. She was so kind and had a big heart. Monica the care and relationship you had with your mother that I witnessed over the years was so loving and amazing . You took such care of her in every part of her life and you all gave her joy.....God Bless her in heaven with all the angels looking down on all of you. She was so proud of all of you!*

“ My mother Shirley Jansma first met Alice in 1962 at the registration of the sons into Kindergarten of Ringwood Public Schools. From that day onwards to the present day they remained close friends sharing in the joys and sorrows of family life as their children grew into adulthood. Oh, stories we could tell!

From the return to Sweden to relocating to Oakland, there was regular conversation together. Even in old age as faculties failed mother would ask of Alice or I would report back to Alice how mother was doing.

Alice was a facet of our life with memories and details freshly remembered. The end of an era.

With all our love

Shirley, Charlene, and Henry Jansma
