“ *Amy, it is almost a year since you went to your final resting place. I and the rest of the Guillembet's hope you are at peace. Your boys are without a parent, knowing the dysfunction, I truly hope they are doing well as to be expected.*

“ *Well Amy, did not know you passed away. Mom and dad could have let us know, it has been over a month. Don't know what happened, don't know if your soul is at peace. God please watch over those two children.*

“Doris and Mark, There are no words. I have the fondest of memories of working with Doris, oh the laughs we had. A happy memory of Amy is at my old apartment taking "modeling pictures"! May all of your special memories comfort you and may God help you all bear the unbearable now. Sending strength. - Kim Angelone
