“ The name Angel was so fitting for this amazing, loving and caring woman. I knew her as my cousin but I loved her as my sister. There were many fun times spent laughing and loving as a family. I cherish every moment we shared. Phil and I share in the grief of her loss. We were so blessed to have spent some very precious times over the last year giving Angel some reprieve when she and the family needed it most. We will always honor her life by living every moment to the fullest knowing she is shining her love down upon us all. We will love her externally. Our hearts and tears are with you all.

“ Angel was 'my' hygienist at Dr. Ilardi's office. It was always a pleasure to visit with her. Her friendly, gentle manner left a wonderful impression. She also 'doctored' my sewing machine...she encouraged me to not give up. I will miss her. My prayers are with the whole family. As you celebrate her life, may your hearts be comforted.
