“ This week my mom kept reminding me of all the times Uncle would come for lunch and I would sit on his lap and I would eat the poor man's food! And that made me think of all the times my little cousins and now my own nieces do the same thing with me. And I love it. I love it because I love them and they love me. And my hope is they remember how special they felt and they make an effort to show someone else love and attention that makes that person feel special. And by doing that, Uncle's true legacy will never die.

“ Dear Louise and Family,
We are so sorry to hear about Angelo's passing. You were the best neighbors we could have asked for. Always there when we needed you. I knew I was in trouble when we moved in and so how meticulous Angelo was with his lawn. I learned a lot from him. He will be deeply missed. You are in our thoughts and prayers.

“ We always had a place in our house for this picture as we moved from Oak Ridge. Louise and Angelo were like our second parents and we really enjoyed our many conversations with them. We are so sad to hear about the loss of a very special man. We had so many fond memories of Angelo while living across the street from him in Oak Ridge.
LOUISE,
Our love goes out to you, we wish we can be in NJ to give you comfort. Please know that you and your family will be in our prayers.

“ Dear Louise/Glen/Renee/Angelo,

Angelo was one of the funniest and hardest working men I ever met. I absolutely loved going to Giant games with him. He made the day worthwhile with his sense of humor even when the team didn't. He was such a big part of Devon Electric and was a devoted employee. It was also great having him as a neighbor and growing up to me I always felt that he and you guys were family. I know he battled Parkinsons for a long time but if you knew him you knew he would. I will miss him. RIP Ang.

We enjoyed spending time with both of you, especially on Wednesday's, when we had our espresso and goodies. We know that Angelo is home now with God and the Angels praying for all of us. We will miss him tremendously.

“ The memories I have of my brother will remain in my heart forever. The holidays we all spent together, the jokes, and the laughter. The great Uncle he was to my girls; spending his lunch hour with them and attending their tea parties when they were little. I can't thank Louise enough for all she's done taking care of him, you were his angel on earth. Much love and comfort to Louise, and my nieces and nephews.

“ *What can we say? We know the last years have been hard. We're so glad we joined the other Bilza's and shared lunch w Ange and Louise a few yrs ago. Our friendship started in the 60's. Though we are so sad to hear he's gone our minds are full with fun and laughter. He was one of a kind. Louise I don't envy what you are now going through. We all have to sooner or later. May the memories bring more smiles than tears. Love Karen and Mike*
