“ Loved visiting with Bert during her many excursions with Aunt Raina! Had quite a few meals, laughs, and catching up at the church, the casino, and in the car! Always asked about my granddaughter - she knew how excited I was to finally be a Grandma. You will be so missed by us all but most of all Aunt Raina who said she lost her casino buddy - you taught her well and when we go to the casino we know that you will be smiling down on us. God's speed! Love, Henry and Cheryl Ross

“ For 28 years we lived next door to Bert and Herb. During that time they were not just neighbors but friends and surrogate grandparents to our sons.

Over the years we would spend hours on end just talking over the hedges. They were there for us, day or night.

When our youngest son was in the County Choir Bert came with us to see the show. That was just one of the many times that Bert was with us celebrating as our children grew into men.

One of Bert's favorite birds was the cardinal. I am sure that for the rest of my life when I see a cardinal I will think of Bert and smile.

“ We lived next door to Bert for 29 years. She was like a grandmother to our 2 sons and we tried to figure out the world in our zillions of porch conversations. I will miss her. I know she lived for her family and will be watching over them. May she rest in the sweetest of peace. 💔 Alice Reines
