“ *Brian and I met our freshman year at FDU playing football and we immediately struck up a friendship. Soon after we were all a part of the famed 6th FLO and we were destined to be a part of each others lives forever. He left school after a short time but came back to visit a few times during the rest of our group's tenure (5 years). We will never forget his easygoing personality, his laugh, smile and of course hair. It saddens me that he's gone now but the sentiment still rings true that he will remain a part of us forever. RIP brother*

Rest In Peace Taddeo ❤️

Louis Cerrato - June 09, 2021 at 02:12 PM

Our love and condolences go out to the entire Taddeo family. We have warm, wonderful memories of Brian and Michael's friendship. We didn't even mind having to take Michael "to the other side of town," to see his new friend in middle school. I remember them playing basketball in our driveway and going on our boat. Brian was like a gentle teddy bear, always polite, quiet and with a twinkle in his eye. We remember you as a warm and loving family. May you always remember those happy days with Brian. Love, Robbie and Steve Levinson
