“ Spent many years working with Charlie at the Capitol and various other venues. He was a valuable member of the backstage crew and was always willing to work wherever our wherever he was needed. I will miss him at our annual reunions but he has now joined an elite group in rock and roll heaven. RIP my friend. Don

“ Charlie may have been taciturn, brief to an extreme, but he was always there for me as he was for everyone who shared our Capitol experience. Charlie is one of only two people who have their own in-boxes on my computer, by virtue of the sheer volume of his welcome correspondence. As I look at that erratic record, there is one pattern that is easy to see. My fifty words would alternate with his three, yet he is the one who contributed the most by far. He certainly lifted my spirits, and he did that in the most unassuming way. In all our correspondence, however many words were written, or not, or avoided with extreme prejudice, he somehow always managed to express his love for whatever it is that we all share. #28 is no more distant now than he ever was. He will live in my present until I too am gone.

“ My sincerest condolences go out to Charlie's family and all his friends.

Charlie and I saw each other on break from time to time at work. I always enjoyed hearing about his vegetable garden and the latest foods he prepared in his "smoker." . I'll miss my co-worker and friend of 28 years.

I know the Lord Jesus is holding Charlie in his arms, and he is at peace and rest.

“ It is impossible to adequately express my sincere sympathy at this most difficult time.

I had worked very closely with Charlie on multiple projects at Tyco. Therefore, I feel that I have lost a very good friend as well as a fellow co-worker.

“ Charlie, you knew how to make everyone laugh....

*"They say there's a heaven for those who will wait
Some say it's better but I say it ain't
I'd rather laugh with the sinners than cry with the saints
Sinners are much more fun...
You know that only the good die young"*

“ Charlie you were always a positive helpful team player, always willing to go the extra mile to get it done the right way. You were a big part of helping me get my legs when I first joined our team. When the waters of a new job threatened to overwhelm me it was always helpful to hear you say " I got ya , buddy , we're in this together, I won't let you drown, I got ya...". You will be missed on the team.

“ My condolences to Charlie's family and friends at this difficult time. Working with Charlie for many, many years at various Capitol Theatre shows and Meadowlands/Giant Stadium concerts (and venues too numerous to mention), he was a pleasure to be around. Always had a bright smile and friendly word no matter what was going on around us. Each year he would attend the annual Capitol Alumni event and brought the same positive energy (and lots of memories) to all who knew him. He will be missed but his memory will live on. “ I just don't know what I'm gonna do without my Charlie. Charlie, you were ALWAYS there for me. So many of our great conversations have been running through my head. And the way you always listened when I needed an ear, always offering sage advice. You didn't judge, you loved me unconditionally, the Mark of a true friend, of which I am fortunate to have had but a few. Give Jan a big hug for me! You'll always have a place in my heart, Charlie Lang.

Very sad to see Charlie gone. I have sat and talked music and listened to music countless times with this man... even his personal vinyl collection. A story teller for the ages and someone who crossed many paths. R.I.P. Charlie - you touched more people than you probably knew.
