“ *JoAnne, I offer my deepest sympathies to you and your family. The lake will not be the same without Charlie. I will always remember him coming down to the beach while the swings were being done and saying "Just remember you can't please all the people but do it for the kids"*

“ *My sympathies to the Papa family. I am so sorry for your loss. I am a friend of Charlie's sister, Barbara, and I know how very much her brother meant to her and how close they were. Hold tight to memories for comfort. May the emptiness in your hearts be filled with gentle peace. My thoughts are with you and your family.*

“ *JoAnne and Family, Words can never express the sorrow in our hearts. Our memories of Charles and how fortunate we were to have him in our lives softens the finality of it all. Oh how we long for those carefree kite flying days down the beach, crabbing and eating mushrooms. Love your cousins, Michele, Eric and family.*

“ Dear Jo and family,
My condolences to you and your sons. I have so many happy memories of you and Charlie. Family events, Lake George, the New Years Eve events, the laughter that Charlie could generate with his incredible sense of humor. I recently found an old super eight movie from the 60's with all of us dancing at an event. I will copy it for you. Remember the happiest times Joanne. I will always remember you and Charlie fondly. Much Love, Hannah
