

CORONAVIRUS ALERT INFORMATION

COVID – 19

Please be aware that funeral homes, cemeteries and crematoriums have been classified by the Department of Homeland Security as "Critical Infrastructure Workers / Industries."

Therefore, we will remain open and will continue to support all families during these difficult and uncertain times; providing a safe and clean environment for families and their guests, continually cleaning and sanitizing our facility to serve the needs of our families.

As of the updated orders per Governor Phil Murphy (Friday, May 28, 2021), the indoor wearing of masks and six-foot social distancing requirements become optional during all New Jersey funerals and memorial events.

The following Friday, June 4, 2021, capacity limits are no longer required in New Jersey funeral homes and places of worship.

The Stickle-Soltesz Funeral Home has been serving the community for generations and will continue during these most difficult times.

Please feel free to contact us with any questions or concerns, as we are available 24 hours a day / 7 days a week.

Respectfully,
Joyce and Todd Soltesz
