“ I’m heartbroken to learn that my dear friend of 40 years has passed away suddenly. She was everything you could ask for in a friend. I met her 40 years ago when she hired Me as her assistant in Human Resources, a field I still continue to work in. We continued our friendship til the present. She was my go to girl and always had sound advice. I will miss our dinners and laughs together. Rest In Peace my dear friend. ❤️

“ To my guardian angel...

It is hard to fathom that I am writing this, it is far to soon.. to some you were a coworker, a friend, a sister, a daughter, a spouse and an aunt, but to me you weren't just my aunt you were my best friend and my rock. I know if I ever had a problem I could go to you and you would give me your wise words of wisdom and guide me on what to do. It is the most difficult thing to believe that when I run into you house and scream "auntttttt cynthiaaaaaa!!!" or run upstairs and try to scare you there will be no answer. You have been there for me through every phase of my life, the good, the bad and the ugly, it is crazy to process that you will not be there for the rest of them. I am endlessly grateful for the time we shared together and the countless memories we made. I hope you are flying high my beautiful, funny and amazing guardian angel. Not a day will go by were I will not think about you and pray that your resting peacefully. It has not been easy thinking that you aren't here physically, but I know you are reuniting with your mom, dad, grandma and grandpa and all our other loved ones. I know you will always be looking down on us and guiding us on the right path. Thank you for teaching me so many life lessons and how to be a strong independent women. You will forever be in our hearts and the memories will never fade. I will always love and remember you and your amazing stories. I will make sure to take good care of uncle bob. Rest easy my precious guardian angel 🥂 Until we meet again❤️

“ I just saw Cynthia on Tuesday. I did her hair. I am so thankful that I was able to spend 2 and a half hours with her catching up and talking. She was not only a client but a friend .I've know her for over 30 years. I will remember her as a smart, modern, sweet, loving person, with the soft voice of an angel. Now she is one. My condolences to her wonderful husband Bob and her family. I will miss you Cynthia. Love always, your friend/hairdresser VIKKI

Cynthia has been my friend, mentor, confidant. We had a very special bond. I've known her for 40 years we worked together at peerless. She taught me all the work skills I still use today. I trusted her emphatically with my thoughts worries and concerns. She was always there for me. I will miss our dinners and laughs together. My prayers go out to Bob and her family who she loved so much.
