“ I can share a million. He was a great fiancé. I have too many memories to write. From fishing to sunsets to holding hands walking around the gardens and state parks to checking out old graves to having a beautiful baby girl. He was an amazing father and even a great step father. He would do anything just to see me smile or make me giggle. He always made sure to tell me I was beautiful and just how loved I was. Life without him seems impossible my sweet honey bee I love you more than words could ever say thank you for being you. Thank you for loving me like you did. Showing me true love! I am so happy that you at least got your wish to be with me til the end. I wish it wasn't so soon but know I loved you more than anything. Your my heart. My soul mate. Watch over all of us please. We love and miss you.

Xoxoxoxo 🍀🍀🍀🥰🥰🥰💕💕💕

Love always your baby boo.
