“ I only met Dave a couple of times when he toured the UK with The Milwaukee's. He. Stayed at my flat after a show and I remember the big smile on his face when he realised he would spend at least one night on tour in relative comfort! I found him to be respectful, funny and a stunning bass player - the world will be slightly greyer without him... X

“ Our thoughts and prayers are with you all during this very sad time. A life taken way too soon. May the pain you're experiencing now someday be replaced by tender memories of David. We'll always remember the " little league" games and the boy scout outings with David. He was always full of laughter and fun.
