Hi. My name is Rose Spada. I just found out about Dawn's passing. I left her a message on her Facebook page wishing her a Happy Birthday when I noticed that she had passed on. I went to high school with her. She was such an amazing person. We kept in touch while I was away in college. She has helped me out in the past. Always had a big heart. I lost touched with a couple of times and found her on Facebook. Was just talking about her to my husband. I told him I would like to hear from her again. I'm so sad that I was too late. I'm so sorry for your loss!

Rosa, Thank you for your kind words and keeping in touch over the years. We all deeply feel her loss but keeping close the memories we shared with her will help to be a gentle comfort. Take care and thank you again for sharing with us! Michele (Dawn's sister).

“ Dawn was truly an angel on earth. She was so full of love and life. Just being around her she made sure to express how loved you were by her. Ever since I met her I always thought of her as a second mom. I am sadden to know that I can't just pick up the phone to call and spend hours talking to her. Rest in the sweetest peace ❤️ I love you my friend

Very sorry to hear about Dawn's passing. Although we haven't been in touch for some time, you all were always in my thoughts.

I'm so sorry to hear about Dawn. I just found out the news. I went to high school with Dawn and kept in touch with her during my college years. I lost contact with her then found her again when we ran into each other at Costco bin Clifton. She worked nearby and she stopped over for lunch. Dawn was an amazing woman. Such a caring person. She always looked after me. My condolences to you and your family.
