“ I met Diane when I was her cna. We clicked right away. We both enjoyed thrift stores and would exchange stories of our finds. I also would sit and hold her hand because she was not in a good place, then tell her jokes to make her laugh. She was always so happy to see me and a I love you was exchanged. I will see you again someday my little honey angel!

I worked with Diane for over 17 years. She was one of my absolute favorite co workers. Always making us laugh and a joy to work with. She gave great advice to many and loved animals so much. I was so sad when she retired a few years back. She was always missed here and we still tell others her hysterical stories she shared. Our hearts are broken, we all loved her so much. Vernon Veterinary Clinic sending love to the family. You are all in our prayers.

Diane was always so kind, patient, caring and helpful when we'd bring in our fur babies. She was a beautiful soul. Our profound condolences to her family and friends.
