“ I met Dolly three years ago. She told me about her family and how proud she was about her kids, grand kids, and relatives. Her love for her kids and her law enforcement family in the greatest city in America. At all the gatherings during our trips Dolly was always my dance partner, she loved to dance. She loved to laugh and be with her Golden Age friends and she had many. All of her friends will miss her and the joy she was to be with. She was a beautiful human being, only God could make such a kind hearted lady.
