“ *My heart grieves with this beautiful family as they bid (temporary) farewell to this beautiful most gracious woman who brought light and life into their lives and into the lives of everyone blessed to know her. I'm one of those people. I am so sad and so sorry for the many years of suffering she endured. She always managed to maintain her gorgeous smile and speak kind encouraging caring words to and everyone. I loved her and I will continue to do so until I see her again one day in the kingdom of heaven. May God wrap His peace around Tom and his girls and his son and each member of this beautiful family. He loves you all and He loved Donna enough to call her home to Himself and heal her broken heart and restore her to perfection once again. Godspeed Donna....until we meet again, may God hold you in the hollow of His hand....<3 I love you...<3*

“ If you ever met the White family and Aunt Donna especially you knew you were in the presence of a great family. With a slew of kind hearted and generous people that know how to have fun. You wouldn't notice unless you were close with them the many years of pain and sadness they have been through. Yet they all still manage to show kindness and support not only toward each other but towards every person they come into contact with. It is a true blessing to have known Donna White whom I've known as Aunt Donna since I was 3 years old. She had the most beautiful smile and I was always so happy to see her. It's with sadness that I write this post but happy to know she is with the lord.

“ Tommy and family I was so sorry to hear of Donna’s passing. We had a lot of fun growing up and although we lost touch I thought of you both over the years. Please accept my deepest sympathies and I will keep you in my thoughts and prayers.
