“ Donna,

Your laugh...no one in the room couldn't smile when you laughed or even not laugh with you!

You were always so kind to everyone and always there at every party or celebration never forgetting to have a card in hand with scratch offs. 😊

I remember my 40th surprise Birthday when you, Kelly, Sean, Christopher, Patrick and my parents were hiding in my bedroom and all marched out when I got home! The gift you gave me that day was so you! It was a salt & pepper shaker set that were two funny ladies with big boob's hanging out! HYSTERICAL!

I will see you again, I am sure of it! ❤️

“ Back when CDs were pretty new, Donna had a Meatloaf Bat Out of Hell CD that Holly and I used to take turns "borrowing" anonymously from Donna's blue van. She would always find it and take it back, only to find it missing again. It became like a game to us all... who had the CD... Next Christmas, we both got the CD as gifts. And I will always remember that if I walk like a duck and talk like a duck, I am a duck.
