“ I am very sorry to hear about Ed's passing. I worked with Ed back in the later 1980's until 1991 while his company was located in Clifton. I remember him as a very smart, engaging individual always ready to talk about things mechanical, drag racing, and so forth. A regular guy. He will be remembered well.

“ Our deepest sympathies are with you and your family. Thinking of Ed brings a smile to my face. He was such a nice man. We always enjoyed talking to him. His love for both Elizabeth & Sam were evident when you spoke with him. He always had a kind word and great sense of humor. I know he is with our Lord and is healthy and happy and watching over you. I know we will see him again, but until then, I hope God wraps His arms around you and gives you some peace. God Bless you. Victor, Denise, Caitlin, Ashley & Allie
