“ *I am Ed's sister and there are so many stories to tell. He has always been really smart and handy, so he had everything a person could want. However , Ed was his own person and if he was into a project or a thought about someone, there was no way you could talk to him without knowing about whatever was on his mind, he would be focused ,your thoughts or opinions about anything else went on deaf ears, not because he was rude it was just the way he was! He was always out father's favorite son. Whenever I would need help with my homework, our Mom & Dad would say "ask your brother", I could only say " when I ask my brother the time, he tells me how to make a watch"! And that's my brother Ed. I will miss him so much.*

“ Ed was our CPA for a long time. When we moved to the Farm crest section we had a group of neighbors along with Ed and Peggy over for dinner. It was a fun time. We were all younger then. Ed and his wife Peggy are very special people. We are so sorry to hear of his passing. Kathy and Rick Aquino
