“ I worked with Ed at Town Hall for 19 years, and he is one of my favorite memories of that time. He was the kindest human I've ever met. A hard worker who took his responsibilities seriously, never said an unkind word about anyone, but enjoyed an off color joke like everyone else, sometimes more. Even after he retired he still continued to come to work dressed in a suit & tie with his signature white button down shirt. His devotion to the town & its people were evident to all. Generations of births, marriages. more births and deaths were all documented by Ed. He knew the history of West Milford because he lived it. I know I am grateful to have had the pleasure to call him co-worker and friend. He will be dearly missed. Rest in peace Edwin.

“ I have so many fond memories of your Dad growing up in Oak Ridge. He was a man of principle and loved serving his community. Please accept my deepest sympathy. My thoughts and prayers are with you. Barbara Moser Fuller
