“ Time goes by so fast. The first time we met was at bowling when they put us together on a team. Little did we know that we would be part of each others lives for so long. Thank you for sharing your family and also for all the memories and laughs. I promise I will really try to make that mark in the 9th frame. Clare, you will be missed. I will keep your family in my thoughts and prayers during this difficult time.. Pam

You are truly a special gift in our lives and we love and adore you. We are just so sorry for your loss. Your Mother was a special person and I am so fortunate to have known her and spent some wonderful time with her in Mazatlan playing bingo together. (She won of course.) Know that you are in my thoughts and prayers during this difficult time. All of our love to you and the boys.

Your friends,
