“ My brother Eugene was one of the most generous, kind person's you could know. The family hadn't gotten together in a while so this past Thanksgiving he put together an eleborate dinner with at least 10-15 recipes. He had them all pinned up on the cabinets and worked his ass off to make sure we all had a great time. Even when it was time to eat and there weren't enough seats Gene volunteered to stand. As we ate I saw him with a big smile of satisfaction and happiness that we were all there. I can't help but think he knew this may be his last Thanksgiving. I love you Gene
