He spent his entire career as a Public Health Officer starting as a Sanitarian with Jefferson Township, where he received his Health Officers License and went on to be Director of Health and Social Services in Denville. He Served as the Sussex County Health Director for many years and ended his 43 Years of service as Health Director for Mount Olive Township. Frank also grew up in the family restaurant business. His parents owned Original Rudi's in Oak Ridge and after that business was sold became co-owner with his brothers and parents in The Newtonian Inn, Newton NJ. Frank's family was the center of his universe. He enjoyed spending time on his Boat, sitting poolside at his home with all his friends and family, and cooking for family gatherings. He enjoyed watching Fox News and Hallmark Christmas movies all year long, sharing ice pops with his grandkids and making creamed spinach and "Opa style" scrambled eggs. He looked forward each year to our large family summer vacation in Sandbridge, Virginia, enjoying the pool, the beach and his kids and grandkids. He was an Avid NY Giants and NY Mets Fan. “ My memories of Frank go back to Little League and Pony League in baseball. He was a tough pitcher to hit and since I played the outfield, he kept me busy running after a lot of balls he hit really far. Beyond baseball, Frank always impressed me as a sincere person with deep, good values and he and Gerri made a formidable couple. May God grant Gerri and the rest of his family comfort and strength until the eternal reunion.

“ Geri, Krista & Frank,
It is remarkable all the health challenges that Frank faced that he rallied each and every time. I am sure he is finally outta pain. The time and dedication he gave to his job, his commitments, his family and friends will long be remembered. A well respected man, and so deserved.
I so enjoyed his opinions and humor.
Prayers for those special happy times you all shared to carry you through these sad days. 🙏
