“ My name is Larry Seltzer and for some years Fred Asaro was both my barber and landlord. He was a generous landlord who did not increase my rent during the years of my tenancy (he had the right to) -which helped me accumulate some savings when I was not doing well financially. He was kind and good-natured and always responded immediately if I had any problems with the apartment. He was a good, a decent man, a likeable man. I was sorry to hear of his passing.
