PRIVATE FINAL DISPOSITION

George Burgess Newman Jr. unexpectedly passed away on March 25, 2025. George was born in Oyster Bay, NY to Susan Brady and George B. Newman Sr.. George grew up in Matawan, NJ with his sister SueAnn. George married the love of his life, Joann, and they began their family together where they had George, Kathleen (predeceased 1966), Robert, and Daniel. They lived in Brooksville, Florida; Kearny, NJ; and then settled in Oak Ridge, NJ where they raised their family and made lifelong friends.

George was a master of all trades; farming, mechanics, plumbing, electrical, carpentry, landscaping, and everything in between. He loved to garden and made every home into a beautiful sanctuary for his family, pets, and wild birds to all enjoy. George cherished spending time with his family and friends, always happy to entertain with the best Tom Collins and some cake and coffee. Everyone who knew George loved his humor, charm, passion for life, perfectionism, and his amazing hair and smile. He spent many years helping his children and friends with any home projects or improvements with his amazing skills and talent and would never take a dime from anyone, he just did it from his heart.

George enjoyed going with Joann to their grandchildren's sporting events, graduations, barbecues, birthday parties and holidays, and just spending time together. He loved spending time at the cabin, where he relaxed and enjoyed the nature, lake, sound of the waterfall, company, and serenity.

George was a wonderful father and grandfather to his children, their spouses and all of his grandchildren: His son George, wife Carol, and children Alexandria, Victoria and Chadd; His son Daniel, wife Amy, and children Tyler and Danielle. George was a great brother-in-law to Joann's brother Bob, wife Ellie, and daughter Gina. All of his grand-puppies adored him too and could

not contain their excitement and love for him.

Thank you George, Dad, Pops, Bud, for all your love and support throughout your life, we are all so honored to have been part of it.

The family will receive visitors on Saturday, March 29, 2025 from 2pm to 4pm with a prayer service at 4pm at the Stickle-Soltesz Funeral Home, 187 La Rue Road, Newfoundland, NJ 07435.

Final disposition will be private.

“ I’m so sorry for the loss of this good man. I regret not taking the opportunity to get to know him better.

“ George, Joanne and the boys were our next door neighbors for many years on Cozy Lake Rd. In Oak Ridge. As soon as he moved in he saw the big field we shared in the back and insisted I use his tractor and mower rather than a lawnmower. That’s how George was, always willing to help others. He’ll be missed here but wherever Heaven is George will be there, still finding ways to serve others.

“ I don't even know where to begin...you were like a 2nd father to my brothers and I. Danny (and now his family) will always be my other brother. When Danny and I would fight I would tattle to you and you “gave him a talking to”. I'd like to say I felt bad but I didn't lol. Our families did so many great things together and I cherish those memories always. Cherry Hill snowmobiling at Aunt Susie's, shore house trips, camping Lake Wallenpaupack, the list goes on and on. My most cherished memory was on an ordinary late Saturday afternoon you and my Dad could be found having a beer, MGD, together sitting on the wall during a yardwork break shooting the shit with each other. You lived 29 years longer than my Dad but I'm sure as soon as you two saw each other on the other side you didn't miss a beat. Joann is going to be well taken care of. I love you I will miss you and until we meet again.

“ My memories of my Uncle George!
Uncle George was my favorite uncle, when I was just a little girl I used to climb up his body all the way to the top of his head, I got the biggest kick out of it because he was so tall. My uncle introduced me to my first encounter with a Horse that he had at their home in Matawan, NJ I have many memories there as a child with my Aunt Joann & my Uncle George and my cousins.. we always had such a great time together! Uncle George would set up big wheels for us kids and would ride them for hours then go inside and have dinner as a family and watch the fish tank that my Uncle George set up! When they moved to Oak Ridge NJ I would go visit my Aunt and Uncle frequently! My uncle George was always helping someone who needed projects done he was a craftsman! I remember his beautiful gardens of vegetables & Flowers that he planted they were exquisite & breathtaking he put so much love into those gardens! My uncle was a fantastic guy I have so many beautiful memories of him! I love you Uncle George may you rest in eternal peace & Fly high with the Angels in heaven! Love to you always, Gina ❤️🙏
