“ *First, We want to express what a wonderful woman Grace was. I personally, have fond memories of being invited into her home in Queens and the wonderful family occasions Gloria cooking up a storm and always making sure you had enough to eat!. Her kind heart, her conversations around the table were always enjoyable. Her children have always shared their love and home to their dear mom. It's so wonderful that they had great parents and a mom that loved them with all her heart. Gloria is now rejoicing with her husband and they will always be their guardian angels. God Bless Gloria.*
