GC

“ Dolly was a most caring person. We had many conversations over 55 years of friendship. I know Bobbie and Howard are welcoming you heaven. I will always remember the day you gave me the pots and pans in PA and your great day of fishing. I know you are at peace. Love you

Gail

“ Dolly you are going to be missed by many. You were my older cousin. But lots of memories of talking laughter, funny and bingo trips. Lots of memories from years ago. I could remember when you had the fall off the snowmobile. An broke you tooth. You thought it was going to make you look ugly. But it never did. You were always beautiful inside and out. Will always love you and miss you. ❤️😭
