Helen was born in New York City on April 1, 1942 and lived there most of her early life, attending and graduating from Fordham University in 1962

It was there she met the love of her life, John Goceljak, from Clifton, New

Jersey. They were married in 1962 and lived in Passaic, New Jersey until 1964, before moving to West Milford, NJ, where they spent the rest of their lives.

Helen worked as a teacher after finishing school, but spent most of her life building and raising a family of four children in West Milford. She was member of St. Joseph's R.C. Church where she worked as an usher and was an active volunteer throughout town her whole life, contributing her time to too many groups to list including, the Macopin Fire Department Ladies Auxillary, the Hillcrest Senior Center, the American Legion, and Queen of Peace church, where she also frequently attended mass. Helen also worked in town for different day care centers and at Sears Hardware store.

Her kindness and creativity were boundless. She had a passion and talent for crafts, especially crocheting. Her creations such as baby clothing, hats and sweaters were donated to those in need, such as medical patients and the convalescent.

She was widowed in 1999, and preceded in death by her daughter-in-law Kerry Goceljak in 2019.

Helen is survived by her four children John Goceljak and his wife Donna, Mike, Marie and Vincent; her three grandchildren: Michael, John and Amanda; her sister Mary Eisenstein of Long Island; as well as many in-laws, nieces and nephews.

“ My dear friend Sandy we first met working together at Sears hardware in town from the start I was amazed at what a hard worker she was and how intelligent of an individual that truly believed in giving 100% for whatever she was doing whether it was assisting the customer helping a friend or shoveling snow off her roof in the middle of winter. She cared for so many people in the community and assisted with so many organizations one in particular crocheting and knitting club. I watched her through the years make dozens of outfits and blankets for needy children through organizations she was involved with, I myself was fortunate to have custom-made special, Sandy edition, baby outfits, and blankets for all my grandchildren, and they will be cherished because the love that went into them. And let's not forget Her sarcastic sense of humor, and her ability to put you in your place without even realizing it was happening until you walked away and thought what just went on??? I will especially miss the holidays and the funny stories that we talk about and boy could she talk? You pretty much listened and maybe you got a word in at some point just maybe. She had a heart of gold and worked endlessly for the vets, the Legion, fire department and Church in town. Sandy always spoke Of how proud she was and loved her children and grandchildren for who they became as adults and what they were still accomplishing in their lives. She will be greatly missed not only by myself, but by everyone that loved her. And every time I drive past that house in the winter and look up at that roof line i'll see her up there shoveling that dam snow off. I hope God's ready for her up there. I don't think he knows what he's in for. Love, Dean, Dolores and family 🙏❤️
