“ *Heartbroken to hear of Jacquie's passing. Our fathers were cousins and lived with their Aunt Nettie for a short time in their teens. Jacquie and I searched for each other for years and were both ecstatic to find each other online a few years ago. Her visits to Hancock and to the Moore Cemetery were exciting and memorable. My calendar still says "visit Jacquie" this year, delayed the past two years due to Covid. My sincere condolences to Liz and family. RIP Jacquie. Until we meet again. Cousin Shirley Niles*

So sad to hear about the loss of this beautiful soul who was one of my first "friends" upon moving to Hillsdale, New Jersey. Despite the difference in our ages: Jacquie and I took the same bus (or Train); depending upon how late we were running on our commute into the city. As "commuting" friends, we had a lot of time to spend chatting about many topics. She gave me "previews" of what was to come regarding child-rearing years through the Hillsdale school system; and having her as a friend made the commute go fast. Before you knew it, we were at our destinations! Most recently, we were Facebook followers and we would exchange upbeat pleasantries from time to time.

She will surely be missed by me and so many others. I treasure our past times together and I extend heart-felt sympathy to Joe, her daughter and the rest of the family. My heart grieves with the family and I will always think of her with a smile on my face!

With love and sympathy, Karen Steinfeld of Hillsdale, NJ

*I don't know that I ever saw Jacquie without a smile on her face - that smile, that face will be missed.
She was a wonderful person - caring, warm hearted and sincere.
Rest In Peace dear friend*

*It was my lucky day when I joined The Newcomers Club of West Milford under Jacquie's leadership.
I'm saddened that She had to leave us so soon.
An empty chair, in the middle of the room, will bring memories of our time together.
With deep sadness,
Krystyna*
