*I just heard of my very much loved cousin Jimmy's passing. I am heart broken. We grew up together and I have so many wonderful memories, of this exceptional man. I am grateful we got to see one another a few years ago. We had lost touch and it was a remarkable afternoon of memories and joy. My prayers and love go out to all Jimmy's family and loved ones. Truly, Heaven has gained another angel. God Bless you Jimmy... Not many men can compare...*

“ It was always exciting when Uncle Jimmy came to visit. While it wasn't an official title, he was definitely a "cool uncle." From his unwavering patience, in spite of us talking or looking over the edge of the boat while he and Dad tried to fish, to his kindness and great sense of humor, every visit was enjoyable. His warm and easy going demeanor made everyone feel included no matter the activity, and any arguments between us kids merely fleeting moments. Thank you for showing us as kids the difference a little elbow grease made and what gratitude for the simple things in life looked like. You were a great uncle and will be deeply missed.

“ *Jim was a dedicated and hard working employee of the Shade Tree & Parks Commission in Paramus for almost 9 years. There was never a time when Jim did not give 100% even when fighting his courageous battle with cancer. My last meeting with him was about a month ago and Jim was upbeat and positive and this is what he brought to work everyday. His skills as an arborist were second to none. I appreciate being able to work with Jim for his time here in Paramus.*

“ Jimmy’s work ethic and commitment to a job “well done” was a wonderful role model for his nieces and nephews. Whether he was fixing cars, engines, trees, or training “man’s best friend” his work was impeccable. His memory lives on in all those who were touched by his kindness and generous spirit.

“ We are deeply saddened to hear of our nephew Jimmy's passing. Jimmy was such a warm and friendly person. We have wonderful memories of his visits to our Highland Lakes home to relax, swim and have a meal. He loved Greek food and we enjoyed talking and laughing. “ Uncle Jimmy I can probably thank you, Smokey, and Petey for the start, or at least a great contribution to my love for big dogs. I always loved when you would bring them over to run around, or when we would visit you at Greenwood Lake. You always had a smile on your face and something humorous to say. My love for German Shepherds, Dobermans, and hearing about Greenwood Lake or going out on a boat will always have memories of you attached. You will be greatly missed but never forgotten. Rest in peace.
