“ Jean Belott was my mother-in-law. I really lucked out in that regard. She was always there for my family in so many ways . There were the obvious things like babysitting and remembering everyone at birthdays and holidays.. There were the many lively family dinners at her house that included all her daughters and sons and their families . Jean always made the effort to attend family gatherings even when age and health made it difficult for her. Her talent in the kitchen was well appreciated by many and she never was stingy with her cooking secrets. I benefitted from her teaching abilities in that area! Everyone enjoyed her strong spirit and sense of fun . She also offered moral support on so many levels and that was invaluable to me. One thing that I feel we had in common was our eagerness to share our opinion with everyone. This often got both of us in trouble but Jean was always able to laugh at herself and that was one of her endearing qualities . Her strong spirit and love of family and of life itself made her an inspirational figure in my life. I miss you Jean and so does your whole family.

Hi, My name is Zina, I am so sorry for your loss, I realize I'm years late, but I was just thinging about the good old days at Orange Drugs where I met and worked with Jean for over 14 years. Jean was a sweet woman, we used to have many laughs together when ever I would go up and talk to her at the Pick-it counter. I know that she Loved her family as she would always talk about her family especially her grand children. I'm sure she is Truly missed, but I also know that her memory lives on in each and everyone of you,as it lives on in me. I pray that all is well with your family. I've leaned to never say Goodbye,but to say,See you later. God Bless
