“ Our heartfelt condolences to Elaine and the Keiffer Family. I have fond memories of my cousin John and his parents , my Aunt Emily and Uncle John, especially at their shore house in Toms River, so long ago, but seems like yesterday. May John rest in eternal peace and be welcomed home by his parents . Our prayers and thoughts are with you Elaine at this time of sorrow, may you find comfort in knowing that John is safely home in the arms of his loved ones and I am sure will be watching over you from above.

“ To the Entire Kieffer Family~

Please accept my most sincere condolences as I am heartbroken to hear this very sad new about John. I had the pleasure of working with him for over a year and a half at AME, Inc. in Fairfield.

John was a kind and gentle soul, a soft spoken man who always showed me the upmost respect and understanding. I worked in the Service Department and no matter how many times I called on John to help out especially during emergency calls, he would always do his best to help no matter how big or small the issue may have been.

May John now rest in Eternal Peace and may the family find comfort in knowing he was loved by someone outside his family, someone like me who now feels blessed to have known John in this life. In my eyes, he was one in a million.....

I lost my only son John in October 2018 to the drug epidemic gripping this Country. I will pray to my Son to guide your John on his journey home so he can find his way into the light, where he now belongs.

*I am so very sorry for your loss~
With love & affection
