“ My heart goes out to the Paicer family and to everyone who loved John. There are no words that can express the impact John had on my life. His infectious smile, sparkling eyes and quick wit have a place in my heart that he alone has always held.

Memories of our youth play through my head. Meeting the neighborhood gang and our signature call ‘YO!’ Village Pizza, Clinton Falls, Cross Castle and Gardner’s basketball court. You taught me everything there was to know about The Beatles and The Rolling stones and to this day I sign my signature the way you taught me.

My first love, how I have missed you and prayed for you over the years. Your Hilo brothers and sisters have never forgotten you and we speak of you often. A beautiful spirit who left us much too soon and a life unfinished. I know we will see each other again in paradise.

“She loves you yeah yeah yeah.....”

*Love Always,
‘pen’ Elaine*

“ *My sincerest condolences to Mrs Paicer, John's siblings, Terence, Tom and Mary and their spouses. Melissa too..
To John's nieces and nephews; You kids would have loved his wit and especially his mastered laissez-faire attitude. A true Paicer trait. John was much like that of his idol, Kevin. John I know you are with him and your dad again.
So many things in my life that I wished I could have shared with you my friend, I am sad but relieved that you are now at Peace. No more struggling in that bed, trapped and wanting to just go. I will forever hold in my heart our friendship and the many memories we did make in our youth.
God Bless you John and all of The Paicer Family.
Until we meet again!
Love always,
Sev*
