“ *I am sorry to hear of John's passing. I would like to share a memory.*

About 51 years ago I was teaching John how to ride my Triumph motorcycle in the woods behind the house. (before Arbor Estates) The adventure was going well until John drove into a tree! He ended the lesson then with a lump on his head and bent handle bars on the bike.

The head healed (mostly?) and the bars were fixed. I don't know if John ever rode again, but we had a lot of fun that day and many others.

“ Audrey and family, Bob and I are very saddened hearing about
John. We were very fond of him. In fact, Bob thought he was a real
cool guy. I enjoyed our talks about weather, gardening, children and
mostly grandchildren. I will miss seeing him walking up and down
the street and miss our conversations. Wishing you all strength and
support at this sad time. I will always think of John with happy
thoughts. Your neighbors on Yuma Trail. 🥺🌹
