“ I have been trying for over a week to come up with something that shows how I feel about losing a great friend, a true gentleman and a very smart engineer. I can't come up with anything to really show how sad and broken we are. We will truly miss you. Rest in peace JJ.

“ Johnny boy words can't express how much I miss you. I can't even fathom a world where your not in it. You were an amazing person such a caring, funny, smart, sarcastic, and selfless person. I will cherish every memory we have together, Even the ones of you locking me out of your room or teasing me because I was the annoying little cousin trying to hang out with my cool older cousin. I finally got older and got cool enough to hang out with my favorite cousin and the memories we have are ones that I hold closest to my heart I love you so much Johnny boy and miss you like crazy. You were more than just a cousin. This will forever change the lives of all of us.--I found this poem and I love it just wanted to share with you

*-We little knew that day,
God was going to call your name.
In life we loved you dearly,
In death, we do the same.*

*It broke our hearts to lose you.
You did not go alone.
For part of us went with you,
The day God called you home.*

*You left us beautiful memories,
Your love is still our guide.
And although we cannot see you,
You are always at our side.*

*Our family chain is broken,
And nothing seems the same,
But as God calls us one by one,
The chain will link again.*
