“ It is with deep sadness that I hear of the passing of Joe Fernandez. Although spending time with him for less than a year I have known him as a kind and compassionate person who thrived on being with people and who could have a conversation with anybody whom he met. He was most happy when he talked about Bridge Marina, a successful business he built with his parents starting in 1953 in Lake Hopatcong and which he passed on to his beloved son Ray. Joe was happiest sitting in a boat in his marina and watching the activity around him. He loved his family and especially adored his two young granddaughters Catalina and Bella. We miss you Joseph R. Fernandez.
