“ Jo and I began in kindergarten at Haskell School in 1948 and continued our education together through high school at Lakeland. She was a lovely redhead and a delight to be with. We lost touch after high school. A few years ago we connected again through Facebook and got together three times since then. She still had that fiery personality and we shared many good memories during those times together. I will miss our conversations. May she rest in the Arms of the Savior Jesus Christ. My heartfelt sympathy goes out you her family. May you know the peace that can only come from Jesus Christ now and forever. Love in Him, Bonnie Storms Olsen
