“ Mom,  
All these moments I want to pick up the phone to call you I have to  
remind myself your not here to do that. Just to give you a kiss or to  
hear your voice is impossible now. I miss you more everyday. I hope  
God knows the Angel he has in his presence. I miss you mom so  
much. ❤️🙏

“ GG, you will forever be missed but we have gained an angel watching over all of us in heaven. We are so glad to have had you in our lives and for you to have met and made memories with our children, your great grandchildren. Aviana says she see’s you in the sky and smiles saying hi to you. We find so much comfort in that. We love and miss you.

Love always,

Vinny Jr., Angela, Aviana & Vinny III
