“ I worked with Juan for a few years and will always remember his sincere and cheerful smile. Always like a ray of sunshine. He was just the nicest guy. My sympathies and comfort to his beautiful family. May he forever Rest In Peace.

“ I am devastated to hear of Juan's passing. I have only worked with Juan for a short period of time but came to really like him. He was always upbeat and a pleasure to talk to. his was so excited about his new home and the projects he was planning for it. Enjoyed those conversations. He will be greatly missed at UPS and prayers to his wife and daughter.
