“ I also worked with Kathy at Nutley Little Theater. When I directed a show, props and scene changes were something I never had to worry about. She was selfless and kind. My sincerest condolences to her family .

“ As children she was always there at Auntie Helen's, always kind. One of my fondest memories of my childhood was around a delicious dish she had made. For those who were at the table that day it was her chicken livers on toast. The kid's table in the kitchen was a happy place that day. Her quiet kind demeanor always stood out.

“ So many memories of this quiet, funny woman. Surrounded by the noise of us as children, she'd just say one thing...drolly...somehow it cut through and we'd laugh and laugh. She is in our hearts forever.

“ Kathleen was an important asset to Nutley Little Theatre. She was in charge of props for some of the shows I directed there, and was so reliable and efficient. I'll always remember her going up and down the steep stairs to wash dishes or take care of food used in whatever show we were working on. She also put in a lot of time and effort procuring supplies needed to keep the theater running. We will always be grateful for her loyalty and support of NLT. May she rest in peace.
