“ *Kathy was a wonderful neighbor and longtime friend to my brother Dan and his now deceased wife Beth. In recent years, I have been communicating with her and getting to know her more and more, as she was involved with helping my brother, as well as making sure his little ‘Kitty’ cat was happy and comfortable. She was a good and kind soul, with a compassionate heart. We will always be indebted to and her presence is terribly missed.*
Our deepest condolences to her beloved husband Tim and her family and friends.
God Bless,

“ Kathy and I go back more than 45 years. She came to an indoor yard sale that I was at and picked up a brochure about our Biblical Research Ministry on our table. We became fast friends after that and even had a business together for a while cleaning houses. Although we didn't keep in touch too often once I moved from NJ, I always considered her a dear friend. She was a faithful servant of the Lord Jesus Christ and will be missed. I am privileged to have known her.

“ I first met Kathy at our study group which gathered together for two weeks to go over the things we were learning at the 1996 Advance class in biblical studies, New Knoxville, OH. I enjoyed the time of learning there. Kathy had a wonderful way of making you feel important and interested in what you had to share! She always had a smile for you and a kind way about her! She will be missed but will see her again soon when our lord Jesus returns.

“ Kathy was a kind and compassionate person. She was also a dear friend for 50 years. She walked with God with a rarity you don't see everyday and she shared His love with everyone she knew. Her prayer life was deep and we all saw many answers to her prayers come to pass over her lifetime. She always strived to make God's Will her way of life. She will be GREATLY missed.....until we see her again! Sincerely, Aaron, Liz and Austin Hampton

“ *Tim and family,*

We are very sorry about Kathy's passing. Very sad to hear. I will greatly miss keeping in touch with my friend. Kathy always told me how much she enjoyed coming over to chat with my mom over a cup of coffee sitting in the kitchen. She said it was very cozy :) She thoroughly enjoyed having conversations with my brother Matt! Kathy and I would reminisce about all the good neighbors and friends and memories in Elro Park throughout the years :) I have so many memories of Kathy. She was a very good friend of our family. Our condolences. Rest in peace in heaven Kathy.
