Laura "BJ" I. Mallie, 60 years of age, of Oak Ridge, NJ., passed away on Wednesday, March 9, 2022 after a courageous battle with breast cancer.

BJ was born on January 10, 1962 in Yuma, Arizona, the second of four siblings, to the late Betty Jean (nee Gann) Clay and the late James E. Mallie.

She attended Crossroads High School in Crossroads, Texas.

BJ and Judith had a commitment ceremony in 1992, and in 2012 they were married and continued to reside in Oak Ridge, NJ.

For the last five years BJ was the Home Fashions Supervisor at the Christmas Tree Stores in Rockaway, New Jersey.

BJ considered the earth as her church, and deeply believed in God and nature where she enjoyed planting her spring vegetables. Spend time outdoors both at the beach and the mountains were her favorite pastimes; hiking and taking day trips to explore and have fun.

She loved life and truly lived in the moment.

BJ is survived by her beloved wife Judith; nieces and nephews; and her cherished furry babies: Molly, Abby, Rocky, Angel, Sami, and Hope.

“ *My Best Friend will be dearly missed. We didn't talk often but she was a major part of my life. I was honored to stand beside her at their first wedding ceremony in Texas. Judy and BJ were truly soul mates. Love always Jane*

“ *I did not know BJ that well, but she sounds like a great person. I know Judy from working with her and to me it sounded like they had such a great life together. Judy is such a wonderful person and it sounded like she had the best wife in the world. Judy I am so sorry you have lost such a wonderful person from your life. My thoughts and prayers are with you and BJ. May God help you through this hard time in your life. Love Eileen*

“ *For 17 years we had the pleasure of being neighbors of BJ and Judy. BJ and her love of animals welcomed our outdoor cat, Muffin, to join their household which allowed Muffin to stay in the neighborhood she's always known. We couldn't have asked for better neighbors. Love you both Nancy & Rich*

“ *She was my friend, part of my support system when I fought cancer. We'd talk about sea turtles, she send me pictures of adventures she and Judy would go on. She was dedicated 100% to whatever she put her mind to. We had some whole belly laughs at work. She was a light, a WARRIOR, my friend! Thank you BJ for being a part of my life's journey! You will always be thought of, be missed.*

Dina, you were a support system for her also. You were able to help her cope with cancer because you went through it. I appreciate how you always cheered her on.
