*Sorry for your loss. I didn't realize Lilly had passed away. She was a friend to me when she occupied building four and would often call me when she was down the shore again my condolences to you and your family. I only found out yesterday that she had passed.*

“ Our deepest condolences to Joyce, Todd and family on the loss of our sweet Aunt Lilly! She lived 95 beautiful years and will be missed very much. I will miss all our conversations, no matter how bad you were feeling you always asked about my family and how everyone was doing. I'm sure Uncle Ralph was there to greet you! along with all those that passed before. Oh and I'm sure my Mother will have something silly to say to get a laugh! We are all very heartbroken!
