“ Words can not describe the sadness and emptiness I sense knowing she is not with us anymore. There was a comfort knowing she was always willing to talk. As I was walking into the place she danced with the seniors there was a sadness knowing she was not there. As I stroll through my contacts her name pops up and brings back all the memories of my faithful friend. We used to meet once a week to pray together for our kids. As they grew up we still talked about things that needed prayer. Life comes down to loving God and loving people and that is exactly what her life was about. Tom and I miss her.

“ I met Linda many years ago in bible study. She was always a ray of sunshine to all who knew her, and will always remember her sweet smile. Her love for Jesus was definitely evident as soon as you got to know her. You will be missed here, until we meet again Linda. Your zest for life was very contagious Missing you Fran Turner

“ May God's love and His peace enfold all of you, bringing comfort during this time of great loss. I've known the Tyler family since the late 1950's, and they were like a second "family" to me. Linda wrote to me every day through email, expressing how very proud he was of her family. I admired her faith and her capacity for great love and devotion to her family, friends, and church. I will miss her so very much. My prayers and my love have been, and will continue to be with all of the family members.

“ I know Linda by the smile on her face that she had for everyone. We were just acquaintances from around town. I also worked at the West Milford Library for 28 years and I think she used the library on many occasions. I will never forget her smile.

“ I remember how she always made me feel like a part of her family. I vacationed with Dayna's family many times and enjoyed the moments I shared with her mom. ❤️

I could fill a hundred pages of all the great memories we had with my friend. Through Christ we prayed for our children sine they were young. Over 35 years of sharing our lives. Truthfully it will be difficult for this who knew her well. But linda was never afraid of heaven. Our love to Don and all the family.
