“ *Jill, JOhn, Joshua & Bob, I can't thank you enough for giving me the privelage of taking care of Mom, she was a wonderful person, she was "cute" in many ways and made taking care of her fun and challenging. As she started failing taking care of her became harder, and most days I didn't know what to expect from her..I hope that the care I gave her was better than you expected. I hope we can remain friends til the end. I can't wait to spend eternity with her in God's presence singing praises. In Christ, CArol*
