“ Dear Jack, Chuck, Stacey, Christa & family, I have many memories of Lucille through the years of our kids growing up, of her commitment to the Municipal Alliance (Drug Abuse Council) and her way of saying it like it was. I lack the right words to tell you how sad I am for you all. Jack there was no denying her love for you and how she treasured her kids and grands. She will be missed and gone too soon.

“ Our deepest sympathies to the Hirleman family. Lucy was a treasure of a woman. She was incredibly funny, independent, strong, and loved her family. I will miss her silliness at get togethers. We are better people for having known her. Lucy you crazy girl, we will miss you and don't forget about the diet tonic for your gin! You put up a hell of a fight and never wanted to burden anyone, not even your family. You are free now. We love you.
